North Texas veterans interested in healthcare wanted!

The **North Texas Veterans Connecting with Healthcare Careers Project** linking Texas military veterans with hospital jobs in North Texas has started. Local partners include Baylor Health Care System, Dallas-Fort Worth Hospital Council Education and Research Foundation, El Centro College, HCA North Texas Division, Methodist Health System, Texas Health Resources, Texas Workforce Commission and Workforce Solutions Greater Dallas.

If you have healthcare experience or you're interested in a healthcare career, please contact your local TWC Veterans Resource and Referral Specialist. Information can be found at vets.texasworkforce.org or by calling **1-888-VET-TEX1**. You can also contact **Eileen Cross** of the Dallas-Fort Worth Hospital Council Education and Research Foundation at **972-719-4900** or e-mail eileenc@dfwhc.org.

Job opportunities available in North Texas hospitals can be found for clinical and non-clinical positions including registered nurses, physical therapists, occupational therapists, coders, pharmacists, pharmacist technicians and other allied health professions. Healthcare career training is available for nursing, surgical technology, respiratory care, radiology, certifications, paramedics, medical transcription, medical assisting and many more.

North Texas veterans - we want you!
